DATA

A network diagram with white nodes and lines on a green background. The nodes are connected by solid lines, forming a complex web. Some nodes have dashed lines extending from them, suggesting connections to other parts of the network. The text 'DATA + ANALISIS = INFORMACIÓN' is written in white, bold, sans-serif capital letters across the center of the image. The plus sign and equals sign are slightly larger than the letters. The word 'INFORMACIÓN' has a tilde over the 'O'.
